

To Whom It May Concern,

The Babies Heart Run is a local Non-Profit Organization. The money raised each year is given to families who have babies in the Neonatal Intensive Care Unit or children in the Pediatric Intensive Care Unit who do not otherwise qualify for assistance.

We are currently planning our 18th Annual event to be held on Sunday, July 19, 2026. This event is a local motorcycle ride that includes race cars, vendors, and activities for children. The police escorted ride starts at Ledyard High School in Ledyard, Connecticut.

The success of our event is credited largely to our sponsors' financial support. All of the funds raised are used to provide families who qualify with care packages. By participating as a sponsor, your business will benefit from extended exposure through media campaigns and promotional efforts directed toward the participants of The Babies Heart Run.

We have four levels of sponsorship, as detailed in the enclosed commitment form. All sponsorship and donations are tax deductible. We're counting on your support, and will be happy to answer any questions you may have. Please take a moment to view our website [www.babiesheartrun.org](http://www.babiesheartrun.org) to see information on the event, sponsors, and pictures of some of the families we have helped. The deadline is June 15th.

Thank you in advance for your willingness to support the efforts of The Babies Heart Run and make a difference in your community.

Sincerely,

Babies Heart Run, Inc. (501c3) 47-1011991
